RELIABLE COATS PVT LTD

Established: 1985

Earlier : Reliable Industries

Introduction : RELIABLE COATS PVT LTD is a reputable and well-established company in the paint industry, having commenced operations in 1985. With several decades of experience, we have become a leading player in the market, known for our high-quality paints and exceptional customer service.

Mission : Our mission is to provide our customers with the finest quality paints that not only enhance the beauty of their spaces but also protect and preserve them. We are committed to continuous innovation, sustainable practices, and delivering exceptional value to our customers, employees, and stake holders.

Products :

We offer a diverse range of paints and coatings tailored to meet the unique needs of our customers. Our product line includes :

1. Interior Paints : A wide array of premium interior paints that bring life to homes and commercial spaces, available in various finishes and color options.
2. Exterior Paints : Weather-resistant exterior paints designed to withstand harsh environmental conditions and protect buildings from the elements.
3. Decorative Finishes : Specialized finishes such as textured coatings, metallic paints, and stuccos to add artistic flair to interior and exterior surfaces.
4. Wood Coatings : High-quality wood varnishes, stains, and sealants that protect and enhance the natural beauty of wood surfaces.
5. Industrial Coatings : Protective and functional coatings for industrial applications, including automotive, machinery, and equipment coatings.

Quality and Innovation : At Reliable Coats Pvt Ltd, we prioritize quality and innovation in all aspects of our business. Our paints undergo rigorous testing and adhere to strict industry standards to ensure the highest level of performance and durability. We continually invest in research and development to introduce cutting-edge technologies and eco-friendly solutions.

Environmental Responsibility : As a responsible corporate citizen, we are committed to environmental sustainability. We adhere to eco-friendly practices and strive to minimize our carbon footprint. Our environmentally conscious approach extends to our manufacturing processes, product formulations, and waste management initiatives.

Distribution and Reach : With an extensive distribution network, our paints are readily available across numerous retail outlets and authorized dealers. We cater to both domestic and international markets, expanding our reach to serve customers globally.

Customer Support : At Reliable Coats Pvt Ltd, we take pride in our customer-centric approach. Our dedicated customer support team is always ready to assist with product inquiries, technical support, and personalized solutions to meet specific project requirements.

Conclusion : Since our establishment in 1985, reliable coats has been committed to providing top-notch paint products that stand the test of time. Our unwavering dedication to quality, innovation, and environmental responsibility has earned us the trust of customers, making us a preferred choice in the paint industry. We look forward to continued growth and success as we strive to enhance spaces and touch lives through our exceptional paint solutions.

Velvett HD

METALLIC PAINT

Velvett HD Metallics is a water-based special effect paint that offers a variety of special effects for interior/exterior walls. Pick from a large variety of shades available for different conditions and give your wall the perfect look.

Rhino Shield

ACRYLIC BASED PUTTY

Say goodbye to cracks and dents with special acrylic binders of this putty. This water-based concrete putty has good alkali resistance, making it suitable for new walls and giving it a smooth finish. It has lesser porosity as compared to conventional putty thus enhancing wall breathability and paint performance.

Rhino Shield

CEMENT BASED PUTTY

Give your walls a great foundation with rhinoshield Wall Putty - a white cement based putty that is packed with functional additives. It helps give interior and exterior rough plasters an even finish along with proving to be a great undercoat adhesion to emulsion paints.

Ojas
